## **Tourist Guide at Statue of Unity and Sardar Sarovar Dam Site**

### **Introduction**

Government of Gujarat is building an iconic 182 meter tall statue, Statue of Unity as a tribute to the Iron Man of India, in Sadhu-Bet, approximately 3.5 kms south of the Sardar Sarovar Dam in Narmada district.

The statue is proposed to be dedicated to the nation shortly.

### **Components of the Statue of Unity**

1. 182 meter high - World's Tallest Statue
2. Viewing Gallery
3. Museum & Audio Visual Gallery
4. A Laser, Light and Sound show
5. Research Centre
6. Shrestha Bharat Bhavan (Administrative complex / management hub cum hotel)
7. Refreshment areas like restaurants and recreational spots to make the project area an attractive tourist spot, thus facilitating tourism and employment for the surrounding tribal region.
8. Ferry Services

The site is expected to witness unprecedented tourist footfalls from across the world. To enhance the tourists' experience and to provide them with authentic information, it is essential to have trained guides deployed at the site following the inauguration.

The guides are expected to have:

- Strong Communication Skills, preferably with knowledge of Hindi, English, and Gujarati languages.
- Knowledge of International languages and other regional Indian languages will be an added advantage.
- Personable & Outgoing
- Improvisational Skills
- Enthusiastic and amicable personality
