Shri Purneshbhai Modi
Hon’ble Minister,
Tourism and Pilgrimage Development, Civil Aviation and Transport

It is a moment of immense joy on announcement of The Incentive Scheme for promoting cinema and development of film infrastructure for Gujarat state. This investment incentive scheme for Cinematic Tourism aims towards stimulating tourism to the economy through cinema and development of infrastructure within the State.

This policy level intervention not only helps in the development of film infrastructure, and entrepreneurial opportunity but also promotes art, culture, and heritage alongside in Gujarat. This policy will significantly steer the tourism sector of the state and add to economic value.

The State Government is taking a focused approach in the promotion of Cinematic Tourism with the industry consultation. The main purpose of this extensive exercise is to address the specific requirement for the promotion of Cinematic Tourism in Gujarat. This policy will help to highlight and make the tourist sites more attractive for travelers across the globe from a different perspective thereby welcoming more economic opportunities for the states as a whole.

I would like to congratulate and invite all the stakeholders to participate in this endeavor to promote Cinematic Tourism in the State of Gujarat.

Shri Arvindbhai Raiyani
Hon’ble Minister of State, Tourism and Pilgrimage Development, Civil Aviation and Transport
It is a proud moment for us to launch The Investment Incentive Scheme for Cinematic Tourism for state. Cinematic tourism is a concept conceived from the influential value and the retention power of a cinema in an individual’s mind. The idea of cinematic tourism is to create a desire to visit the location displayed on the screen. The policy aims to promote the destination of Gujarat through Cinematic Tourism and attract tourists across the globe. 

The Investment Incentive Scheme of Cinematic Tourism offers financial assistance in numerous forms and other support for the development film infrastructure, film making and attract more private investment to strengthen the industry. It will also have a positive and progressive impact on the local socio-economic scenario. It will certainly lead to overall development of the sector and significant contribution to promote the destinations of Gujarat on the world map.

I would request all stakeholders and invite all potential investors to participate in this policy in realizing the cinematic tourism potential of the state.

Gujarat Tourism is working with a vision to place Gujarat among the top five tourist destinations in India for foreign and domestic tourists and development of Tourism as an industry for socio-economic development. To attain the holistic development of Tourism in the state, the department is continuously engaging with the key stakeholders and fostering the Tourism sector through policy-level intervention.

Cinema plays pivotal role in today’s time and has gone beyond its intended purpose of mass entertainment. Cinema has significant impact in the society and influence the decision of individuals. Gujarat has scenic beaches, hill stations, rich architecture, heritage sites, sanctuaries, spiritual destinations, river trails and more spread across the state to explore.

Gujarat not only influences tourists to experience the Khushbu Gujarat Ki but also holds immense potential for Cinematic Tourism.

Gujarat Tourism aims to promote destinations of Gujarat to travelers across the world. The very purpose of this policy is to promote to tourism and facilitate the development of film making eco system within the state. The incentive scheme emphasizes on meeting the specific needs for sector growth and promotion of Gujarat as a destination for cinematic tourism. The development of film infrastructure will further enhance the opportunity to tap the growing demand for film making and fulfill the needs of Cinematic Tourism. Gujarat Tourism firmly believes this policy will help to generate more opportunities in the sector and contribute towards the developmental growth of economy.

I would like to thank all the stakeholders for their valuable feedback and suggestions during policy formation. It is my humble request to all the stakeholders to be a part of our journey of growth.

Gujarat is blessed with every ingredient from hills to seashore, from historical sites like Dholavira to modern day marquee gift city, heritage buildings to modern bus ports, to desert in Rann of Kutch to Gir forest. Gujarat also offers excellent connectivity across the state through road, rail and airways. The state of Gujarat is known for amicable people, cultural diversity, hospitality, and entrepreneurship across the globe.

The State Government has identified tourism as a one of the key sectors for socio-economic development and further to promote Gujarat as a preferred tourist destination among the global tourists and cinematic tourism is an excellent way for destination marketing and creates opportunities for product and community entrepreneurship development. Films and television are amongst the most important sources of entertainment in India. Together television, cinema, and OTT will contribute to 57% of the Indian media industry by 2024. The Media and Entertainment industry are expected to reach US$39 bn and a CAGR of 9% during 2019-24.

India has consistently been the world’s largest producer of films since 2007. The film and Entertainment market is expected to grow at a CAGR of 50% between 2020 and 2023. Hindi films contribute almost 40% of the net domestic box office collections annually, while the films in 29 other Indian languages account for approximately 50% of the annual domestic box office collections. Hollywood and international films comprise the balance. The Indian television industry is very diverse and will remain as one of the largest segments in the Media and Entertainment sector. The segment is likely to post a CAGR of 7% to US$12.01 billion between 2020 and 2023 and regional channels are outpacing many other genres in terms of growth and all large broadcasters have or are planning to enhance their regional channel bouquets.

To create an economic opportunity for the state’s populace and to make Gujarat as a preferred destination for film makers, including the Regional, Bollywood, Hollywood, TV and OTT industry, the cinematic tourism policy was under active consideration of the Government. After detailed deliberations and consultations with the concerned administrative departments and various stakeholders, the state government is pleased to announce the Cinematic Tourism Policy for the State of Gujarat as under:
