Gaekwad Baroda Golf Club

One of the most picturesque golf courses in Gujarat, this is a prestigious golf destination with the majestic Lakshmi Vilas Palace built in 1890 as the backdrop. The Gaekwad Baroda Club is the only private golf course in the city of Vadodara. This premier club was founded by the erstwhile royal family of Baroda. The palace is still the royal residence but the course is open to public. This is perhaps one of the most exclusive courses in the world due to its inimitable heritage appeal. The lavish greens are dotted by beautiful trees often frequented by peacocks and other birds. There are cool natural water bodies strewn around too. Five teeing ground options on each hole and a perfect layout for shot makers and strategic players deliver a challenging and unforgettable experience.

An older monument by the side of the main palace now functions as a fine clubhouse. Its verandahs open up onto the golf course. A well-stocked pro shop, a café lounge, a conference room and a fine dining multi-cuisine restaurant on the upper floor create a delightful ambience.
