## Rejuvenate in **Vibrant Gujarat**

**WELLNESS AND MEDICAL TOURISM IN GUJARAT**

ॐ सर्वे भवन्तु सुखिनः ।  
सर्वे सन्तु निरामयाः ।

Traveling to Vibrant Gujarat for health rejuvenation can be a rewarding experience. Gujarat is famous for its finest blend of modern and traditional culture be it business or healthcare. Gujarat offers best-in-class traditional wellness centers and modern medical infrastructure to provide the best possible care.

Ayurveda is a comprehensive scientific medicinal system indigenous to India. The term Ayurveda means 'knowledge of life', which comprises of two Sanskrit words, Ayu (life) and Veda (knowledge or science). Four Vedas that are considered as the oldest Indian literature (5000–1000 BC) contain information about natural remedies. This traditional practice of Ayurveda is the oldest healthcare system in the world and combines the profound thoughts of medicine and philosophy.

Gujarat is a vibrant state with a rich heritage and cultural tradition dating back to history with the Harappan civilization. Gujarat is famous for traditional healthcare and wellness centers with authentic therapies and alternative healthcare ranging from Ayurveda to Yoga. In spite of the advancement in modern science & technology, Indian traditional medicinal system like Ayurveda, Siddha and Unani have a very rich history of their effectiveness.

Gujarat is a leader in the healthcare sector with a strong presence of pharmaceutical companies and researchers equipped with modern scientific knowledge, technology and ideas. Gujarat is not only a hub of pharmaceutical majors but also offers excellent tertiary care facilities. Gujarat is home to several multi-specialty hospitals where the most renowned doctors offer finest care.

### Fast Aid Facilities:

Highly skilled professionals associated with a well-trained and skilled staff, working in state of the art operation theatres and hospitals have led to a vast improvement in handling almost all emergencies, complex surgeries along with routine surgeries with minimal complications and decreased hospital stay.

## The array of world-class hospitals provides

the best health facilities with a combination of many factors like:

- **Advanced Technologies**

With State of the art infrastructure, and Cutting-edge medical technology patients get better outcomes, with lesser complications and reduced time for recovery, resulting in shorter length of hospital stay. Modern technological tie-ups and easy and rapid modes of communication with link-ups to most countries have led to availability of an array of medical tourism influx in Gujarat.

- **Skilled Manpower**

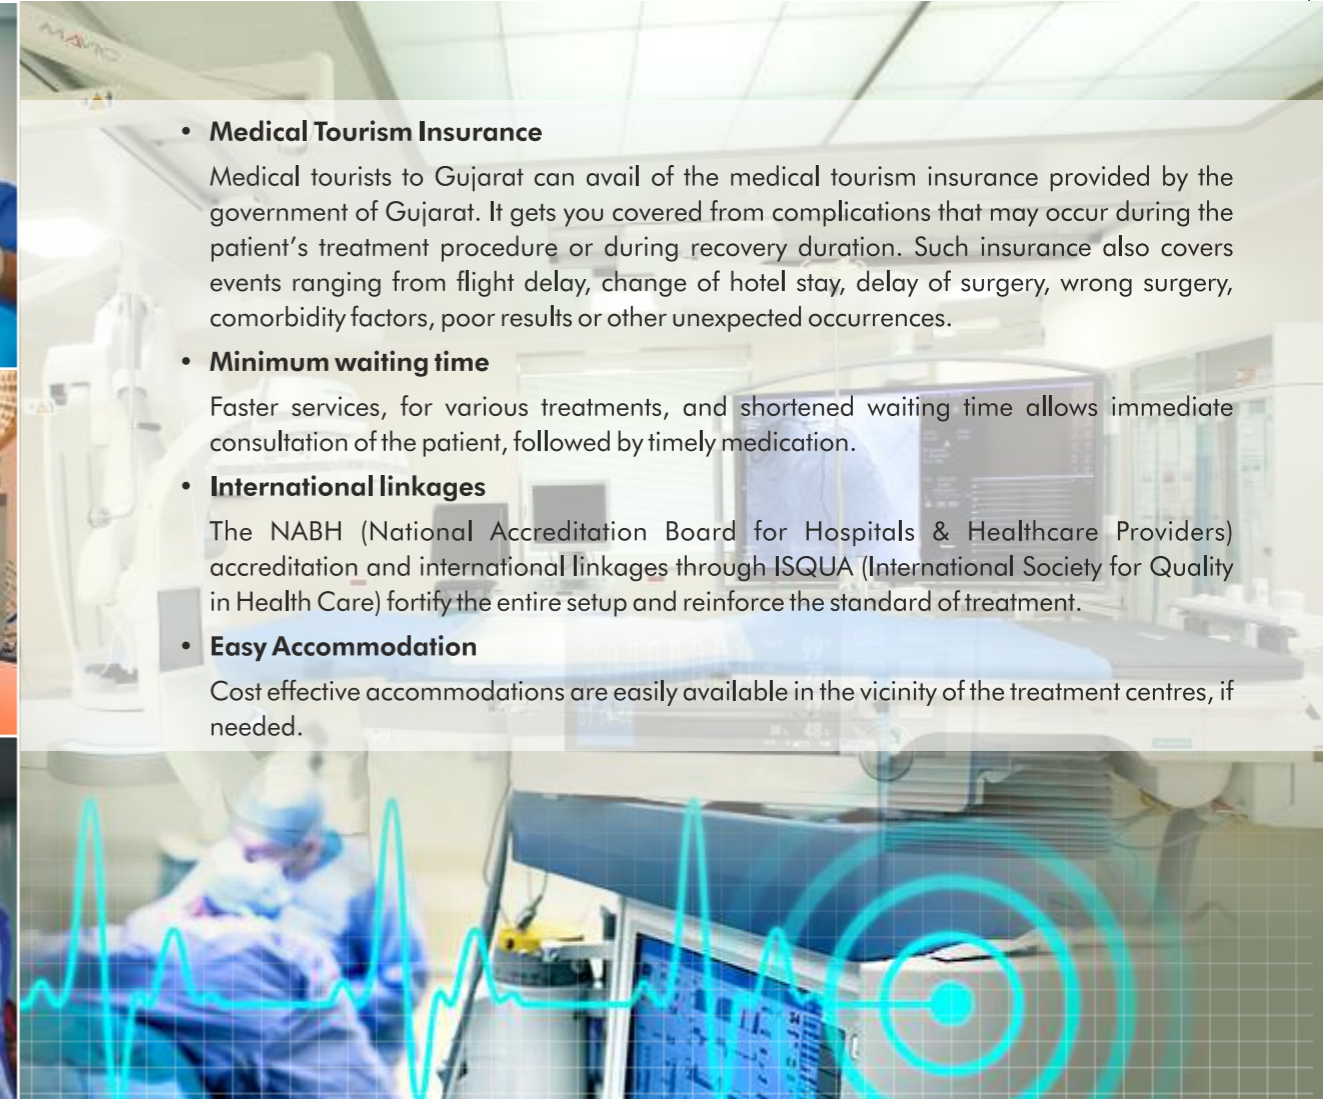

The highly skilled human resources (doctors & medical staff) in all medical streams make sure the patients receive the right diagnosis and consult the best treatment options, ensuring easy recovery.

- **Affordability of Treatment**

Affordable rates of diagnostic testing and treatment have bridged the gap between availability and access of modern facilities to the most common individual.

- **Mediclaime**

The easy Mediclaim facilities available at most hospitals render security to the patient that his expenses will be taken care of.

- **Medical Tourism Insurance**

Medical tourists to Gujarat can avail of the medical tourism insurance provided by the government of Gujarat. It gets you covered from complications that may occur during the patient's treatment procedure or during recovery duration. Such insurance also covers events ranging from flight delay, change of hotel stay, delay of surgery, wrong surgery, comorbidity factors, poor results or other unexpected occurrences.

- **Minimum waiting time**

Faster services, for various treatments, and shortened waiting time allows immediate consultation of the patient, followed by timely medication.

- **International linkages**

The NABH (National Accreditation Board for Hospitals & Healthcare Providers) accreditation and international linkages through ISQUA (International Society for Quality in Health Care) fortify the entire setup and reinforce the standard of treatment.

- **Easy Accommodation**

Cost effective accommodations are easily available in the vicinity of the treatment centres, if needed.
